

# The #1 Dental Network in Florida!\*

Our Copay and Choice PPO dental networks lead the industry as #1 and #2 in effective discounts in Florida\*, providing clients with the dental networks that are most successful at saving money!

## Effective discounts: the MOST important measure of a network

Discounts only matter if the in-network dentists are used, and we have the quality in-network dentists members want. Our effective discounts reflect the savings members will experience when our strong discounts are coupled with high-level in-network utilization.

## The power behind these effective discounts is a SMARTER network

Florida Blue ensures that we have the right number of the right dentists – at the right discounts. This means that members will pay less by using our high quality, in-network dentists compared to the lower in-network utilization rates of other carriers.
