

Provider Relations
P.O. Box 45132
Jacksonville, FL 32232-9902

At Florida Combined Life (FCL) we are making every effort to ensure the accuracy of the provider information used to advertise your participation with us in our online provider directory. We are required by law to keep our provider directories current and up-to-date. Accurate information assists our members in locating a participating provider and is essential to quick and accurate claim processing.

Please visit our website at www.FloridaBlueDental.com/Find-A-Dentist-National.aspx, search by provider name, zip code/distance, or county to validate provider name, practice address, phone number, website and accepting patient status.

Any changes within the last three months to your practice tax identification number, location address, phone number, email address, website, acquisition of the practice, or if a provider has left your practice, please complete a change document which can be found on our website at <https://www.floridabluedental.com/Providers/Provider-Resource-Center.aspx>. If you need to speak with a Dental Network Manager, please email our department mail box listed below.

If **all** of the information is correct, no further action is required.

You may submit completed forms using any of the following methods:

Mail To: Florida Combined Life
Dental Division
P.O. Box 45132
Jacksonville, FL 32232-9902

Email To: DentalProviderRelations@FCLife.com
Fax To: (904)866-4846

Thank you for reviewing and assisting us in maintaining accurate information regarding your network participation with Florida Combined Life.

Sincerely,

Cindy Keene
Manager, FCL Dental Provider Relations
